What are key factors to success? What role do you think EQ, IQ and MQ play in one's success?
（MQ：心商(MQ)：就是维持心理健康、缓解心理压力、保持良好心理状况和活力的能力。心商的高低，直接决定了人生过程的苦乐，主宰人生命运的成功。联合国世界卫生组织规定心理健康为心理和社会适应能力等方面的健全与最佳状态。包含和谐的人际关系、正确的自我评价和情绪体验及热爱生活、正视现实、人格完整等。）
A：成功的主导因素是什么？
A: what is the key factor to success?
B：我认为应该合理看待这个问题，从哪一方面考虑？
B: I think it should be reasonable to look at this issue, consider in what way?
A：比如说ＥＱ，ＩＱ，ＭＱ所扮演的角色.
A: For example.What role do you think EQ, IQ and MQ play in one's success?
B：这个嘛，要先认清楚这三种特质的实质是什么，ＩＱ，是人们认识客观事物并运用知识解决实际问题的能力，心商(MQ)：就是维持心理健康、缓解心理压力、保持良好心理状况和活力的能力。就是保持良好心态，调节心理压力，以保证良好的心理状况和活动的能力。影响心商的因素很多，包括思维、心态、性格等方面，它们对心商的培养都起着至关重要的作用。它包含心理健康、心理压力调适。心商的高低，直接决定了人生过程的苦乐，主宰人生命运的成功。ＥＱ，主要是指人在情绪、情感、意志、耐受挫折等方面的品质。
B: Well, you know ,what,is the essence of these three traits .for IQ, is the understanding of objective things and apply knowledge to solve practical problems, the MQ is the ability to maintain mental health, alleviate psychological pressure, maintain a good mental health and vitality. Is to maintain a good mentality, psychological pressure, mental status and activities to ensure good ability. Many factors affect the heart's, including thinking,attitude, character and so on, they are training on heart business plays an important role. It includes mental health, psychological pressure adjustment.Mental quotient level, directly determines the bittersweet process, dominate the fate of success. A: I think these three traits do play an important role, as the IQ in the solution

to the problem .the role of the MQ to maintain good state of mind, EQ will insist on function. These three points are indispensable, and mutual support, so that we will be in the lead to success more smoothly.

B：我在一定程度上赞同你的看法，作为衡量人的素质的指标，这三种特质的确发挥着重要的作用，在生活和工作上带给我们便利，但是你有木有考虑过作为一个普通人，我们不可能拥有三种长处，如何权衡三种所占的比例呢？

B:in a certain extent I agree with you , as a measure of quality index, these three traits indeed plays an important role in the life and work, bring us convenience, but you have considered as an ordinary person, we cannot have all three, how to balance three the proportion of?

A：其实及我感觉而言，这三者也许是成功的重要因素，但绝对不是至关重要的，社会的发展已经颠覆了成功的定义，我们连成功都不曾认真思考过有何谈成功的关键呢？每个人都对成功渴望，但每个人的成功又各不相同，金钱，物欲还是理性，灵魂，成功最总要的主题还是我们.

A: actually, I feel, the three may be an important factor in success, but is not absolutely essential, social development has subverted the definition of success, we even success never seriously thought about what to talk about the key to success? B: technology itself is not evil at all, the most important is to look at the science and technology is in the hands of the hands of which people, is used to serve for who.
